Reviews from Pilot Services:

Orchard Street - Nottingham Community Housing Association

NCHA - Personalised Support Team Derbyshire

Autism Care UK - Fence

Welcome to the third edition of the Creating an Ordinary Life Newsletter

Year One of the Creating an Ordinary Life – Active Support Project continues in the ten pilot services with real positive outcomes for people being supported. It has been great to see how services have managed to overcome some of the barriers to implementation and are persevering to make a real difference.

Year One services, like Year Two, can take advantage of Skype conference calls. Where services have used this support they have
