

ABBEY ART AWARDS

Roving Reporters Philip, Kerry Anne, Gregory and Jonathon from the Patients Council TILII Group Muckamore Abbey Hospital report on the Hospital Art Competition

Roving Reporter, Philip Foster of the Muckamore Patients Council TILII group spoke to Frank Holmes, about the Abbey Art competition. Frank has been doing the competition for many years and has a great time helping the patients.

The Patient's Council said they were very proud of the competition, and it made them all feel good.

There were over forty pieces of art and everyone got a certificate for their work.

One of the prizes is called the Greta McIntyre Award, named after the lady who started the Parents and Friends Society.

The Greta McIntyre Award is for the most promising or improved artist.

The judges were Jeanette Robinson and Davey Downs. They have both used to work at the hospital.

The Awards Ceremony took place in Moyola and in the Gardening section.

Brendon Popplestone, played the guitar at Moyola

The gardening section had a karaoke.

The winner painted a picture of Elvis.

We are proud to say that Philip Foster, our own roving reporter, got second prize for a picture of Belfast.

Third prize was for a painting of a famous rap artist.

The Awards were also attended by Esther Rafferty, Service Manager, and Barry Mills, Operations Manager, the latter of which gave a speech to the audience about how proud he was of the work and how important events like this are to both the staff and patients.

We hope you like our good news story by Roving Reporters Philip, Kerry Anne, Gregory and Jonathon – Patients Council TILII Group Muckamore Abbey Hospital
