

Questionnaire for Individuals, Families and Supporters

Have a go at these 10 questions - you might need to do some research to find out some of the answers but they are things that will help you understand Hate Crime and what to do about it.

1. Which of these is a Disability Hate Crime?

- Kids throwing stones at my window.
- Someone borrowing my mobile and using up all the credit.
- A group of people beating me up outside the local shops and stealing my shopping.
- My mate coming round every time it's my benefit day so we can go to the pub and spend the money.
- Family members taking my money from me without asking.
- My friend comes round every Thursday and we go out in his car for the afternoon. He only charges me £20 for petrol each time.
- My neighbour calling me names when she sees me.
- People sending abusive text messages to my mobile phone.
- My mates always come to my flat for a party on a Friday night - I don't mind getting the food and drink in for them.
- My boyfriend saying I should have sex with other men for money.

2. Who should keep adults safe?

3. Where is your local Police Station if you needed to report a Disability Hate Crime?

4. Where is your nearest Third Party Hate Crime Reporting Centre?

5. Do you know about the 'True Vision' Disability Hate Crime Reporting Pack and how to get hold of one if you need it?

6. What is Adult Safeguarding and how do you contact your Local Authority Adult Safeguarding Team?

7. Do you have a 'Safe Places' scheme in your area?

8. If you do can you access one of these Safe Places on an evening or weekend?

9. Name five different people or groups of people who can help you keep safe in your community

10. Do you know how to contact your local self-advocacy group, partnership board and local charities who can help?
