

# Questionnaire for Local Police and Adult Safeguarding Teams

Please answer these questions - they should be answered jointly.

1. Do you have a protocol in place to share information and concerns about Hate Crimes and Adult Safeguarding in your area?

---

---

---

2. Do you deliver any joint training about Safeguarding and Hate Crime in your area? What is the take up of this training?

---

---

---

3. How do you involve disabled people in your planning, training, decision-making and review of Safeguarding and Hate Crime?

---

---

---

---

---

**4. Who is responsible for the True Vision Disability Hate Crime Reporting packs in your area?**

---

---

---

**5. How are these accessible to anyone who might need them?**

---

---

---

**6. How do you promote your local Third Party Hate Crime Reporting Centres and ensure these are accessible to people with a disability?**

---

---

---

---

**7. Do you have systems in place so people can report a Hate Crime out of hours to people other than the police?**

---

---

---

**8. How is Disability Hate Crime reflected in your local Policing priorities?**

---

---

---

---

**9. Do you have a 'Safe Places' scheme in your area, if not why not? If you do can any of these Safe Places be accessed on an evening or weekend?**

---

---

---

**10. How many reports of Disability Hate Crime were reported in your area in the previous year? How many of these came via the Adult Safeguarding Team? Do you think this reflects how many actually happened? Why might this be the case?**

---

---

---
