

# The Ring of Safety in Action

Statement	What we need to do	Who will do it and when	How we will know it is happening and working
I know my rights			
I have good self esteem and confidence			
I have had a good sex education			

Statement	What we need to do	Who will do it and when	How we will know it is happening and working
I have positive opportunities for sex			
I know what 'private' means			
I can say 'no' and I am listened to			
I have someone who really listens to me, and takes action when I need them to
